

2012/2013 Montana Big Sky Paint Codes

Sorry for the typo ☺ The vendor is Maple City and their contact phone number is 574-534-1784 and this is full body paint. Woodland Compos is the equivalent to Cloud White and I'm not sure if it is abbreviated or not. That is how it appears on my diagram. As long as you have the code that appears in front of the name "woodland Compos" you should be ok. I apologize, this is the only diagram we have for the 2013 Big Sky. Although the image may differ, the paint codes are still the same. Even if they appear on an area that differs from the replica provided. I hope I have been helpful.

Thank you,

Ashley Ruiz
